

SEMESTER OFF/SEMESTER WITHDRAWAL

For the student: Students may request to take one or more than one regular semester off (Fall, Spring). Summer semester is optional and does not need to be reported. Freshmen are not allowed to take their first semester off. It is entirely the student's responsibility to complete his/her graduation requirements on time as taking a semester off may result in a delay in graduation. The University will anticipate your return based on the semester indicated in this form. For clarity of Fee, Please contact Accounts Office
